From the historic forts and havelis of Jaisalmer to the vast Sam Sand Dunes, the itinerary offers a glimpse into Rajasthan's rich history, culture, and desert life.

Jaipur

Jaipur, the largest city of Rajasthan, is an epitome of magnificence and vibrancy. This city is India's first planned city and was the capital of former Kachwaha rulers. Fondly known as the Pink City because of the colour of monuments, the city has more to offer than just monuments.

Jaisalmer

Named after Maharaja Sawai Jaisal Singh, Jaisalmer – also known as The Golden City – stands on a ridge of yellowish sandstone, crowned by a fort, containing several palaces and Jain temples. One of the last states to sign a treaty with the British, Jaisalmer was an important trading center because of its strategic location on the camel trade routes.
